ELEVATIONS OF BENCH MARKS IN THE CITY OF HAMILTON

All the following elevations are based on a datum confirmed by an Order in Council No. P.C. 630 in 1935, popularly known as 'the 1935 Geodetic Datum'.

The elevations are expressed in metres. The imperial equivalents follow the metric data in brackets.

INDEX NUMBER, PLAN - C-347 SURVEYS

The 'Index Number' is the number shown on Plan C-347 Surveys. A Cross-Reference beginning after Page 45 relates the actual number on the Bench Mark tablet to the Index Number.
